**COMMENTS:**

This bill would establish the Electronic Funds Transfer Task Force to develop a comprehensive approach to implementing a statewide payment dispersal system using electronic funds transfer technology.

The August 22, 2006, amendments changed the due date of the report to the Legislature required under this bill's provisions to April 1, 2008. The amendments made technical changes that clarify the efforts of the Task Force convened by the bill to be focused on the development of a payment dispersal system utilizing electronic funds transfer technology. The August 22, 2006, amendments are immaterial to the department's programs or operations.
